

U. S. REPRESENTATIVE DISTRICT #2

Doug Roulstone	Republican
Roulstone for Congress 2707 Colby Avenue, # F Everett, WA 98201	Phone: 360.568.8313 Email: doug@roulstoneforcongress.com Website: www.roulstoneforcongress.com

I'm Doug Roulstone. I'm not another professional politician. After retiring from 27 years in the Navy I've run a business, helped build our local school system and my wife, Bonnie, and I have raised our sons. Now I'm running for Congress.

How would you grade Congress today? What have long term incumbents like Rick Larsen done to address the real issues? The answer is ... almost nothing. What they're good at is protecting their jobs and perpetuating the system.

I'm going to be a different representative than Rick Larsen because I think the people of northwest Washington deserve it:

- I will be tight fisted with your tax money. The incumbent has voted with the spenders. Our national debt is the result.
- I will vote to secure our national borders. The incumbent has voted against doing what it takes.
- I will support common sense ideas – like salvaging dead and burned timber. The incumbent votes against those ideas so he can gain endorsement from the radical environmental groups.
- I will support steps to achieve more energy independence. The incumbent votes against domestic energy production measures.
- I will support reforms to Social Security before it goes bankrupt. The incumbent's only answer is to oppose change.

How can we expect different results if we continue to elect the same people to public office? We can't of course.

I urge you to vote for a change in course. Vote for Doug Roulstone for Congress.
