Bangkok 19:05

After receiving a detailed report, I would like to hold a four-ministerial meeting of the NSC (National Security Council)

JCS said that South Korean and US intelligence authorities are "conducting a comprehensive analysis on its detailed specifications"

Lee Sung-jun

Spokesman of South Korea's Joint Chiefs of Staff

The South Korean military detected a medium-range ballistic missile fired into the East Sea near Pyongyang at around 7:23 a.m. today

Tensions on the Korean peninsula have been growing steadily with North Korea firing 27 missiles in the last 100 days
